

DREAM TEAM

GUIDING PRINCIPLES AND TEAM ETHICS

Self-Referenced Action, Accountability, and Alignment

- Inspiration - identifying what inspires us
- Sovereignty

Mentorship culture

Nourishment - Staying in alignment with the products and health in our business practices

Sustainability - we are family, this is long term growth and commitment

- Magic and Community

Alignment in the Inner Game - working together to overcome inner blockages, self-limiting beliefs, and doubts; knowing that as we resolve these through the business it will benefit all aspects of our life

MOVING THE ENERGY - Being in action together

- Authenticity
- Integration
- Balance of self-discipline and self-compassion

Heart Centered Business Practices - savvy business awareness that anchors in the heart

- Making sure everyone understands the basic IPAs - signing people up, ordering, working well with the compensation plan
- Compassion rather than comparison
- Adapting to what is needed in the moment while remaining present and consistent
- Staying connected to a strong vision but knowing the next few steps

Prosperity Consciousness - financial freedom, abundance and ease
